PROFILE

Creative and detail-oriented Graphic Designer and Certified Web Developer with experience in multimedia content creation, responsive website development, and visual storytelling. Skilled in Adobe Creative Suite, UI/UX design, and front-end web technologies. Passionate about delivering visually compelling designs and interactive web experiences for clients worldwide. Seeking a remote role to leverage my design and development skills in building high-quality digital solutions.

WORK EXPERIENCE

Founder & Creative Director | MaNuEl Media | Nigeria | 2025 – Present

- Lead creative projects including graphic design, videography, and web development.
- Develop websites and applications for clients and personal projects.
- Create multimedia content for branding, social media campaigns, and online marketing.
- Conceptualize original music and movie projects for MaNuEl Media.

Freelance Graphic Designer & Web Developer | Remote | 2020 – Present

- Designed logos, social media graphics, posters, and promotional material for startups and SMEs.
- Built responsive websites using HTML, CSS, JavaScript, and WordPress.
- Edited videos and created motion graphics for clients' online campaigns.
- Collaborated with clients to ensure projects meet branding, functionality, and aesthetic goals.
